Tuition is \$435. A \$50 deposit can save a space until 6/23. **DISCOUNTS** can include \$20 when paid in full by 6/23 and \$40 when paid in full by 5/30. And at Irvin's discretion \$100 is returned after the trip to each student for doing well. That includes good behavior, the essay turned in on time, following a well organized trip food menu, on time arrival and departure, the Lake Tenaya pick-up driver being ready and available if needed, and a complete set of workable gear and knowing how to use it. Pictures or video are sometimes taken as family gifts or for fliers. We have the utmost respect for family privacy. Make checks to "OSE".
